Note;

Our commitment to our registered companies is to provide the agreed funding to enable those individuals who have started an agreed programme to complete that programme, provided that the overall conditions for the scheme are met.

Nothing in this guide affects the ECITB's legal rights and duties, including its right to introduce new services, alter existing arrangements and withdraw the availability of grants and services at any time and for whatever reason. This guide does not form a contract between you and the ECITB. It may be necessary to limit or withdraw a grant or training programme, but if this occurs the ECITB will give as much notice as possible.
